## CURRICULA VITAE

### Enver ÇEVİK – Chairman of the Board of Directors

Enver Çevik started his business career in Istanbul at a young age and entered the capital markets—then newly developing in Türkiye in the early 1990s—as an investor. While

continuing his commercial activities, he simultaneously enhanced his knowledge and experience in the capital markets. Over time, Enver Çevik combined his commercial experience with his capital markets expertise, investing in various sectors and diversifying his business activities. Mr. Çevik currently serves as the Chairman of the Board of Directors of Lydia Holding Corp., Lydia Yeşil Enerji Kaynakları Corp., Ufuk Yatırım Yönetim ve Gayrimenkul Corp. and EC Gayrimenkul Yatırımları Corp.

#### **Kemal AKKAYA- Vice Chairman of the Board of Directors**

Kemal Akkaya completed his undergraduate and graduate studies in the field of Business Administration. Akkaya began his career in 1997 at Oyak Yatırım Menkul Değerler Corp. as an Assistant Specialist and, until 2015, successively held the positions of Investment Specialist, Deputy Investment Manager, and Investment Manager. Kemal Akkaya has over 20 years of experience in the capital markets and is also experienced in the field of venture capital as an angel investor. He holds the Capital Market Activities Level 3 License and the Derivative Instruments License. He currently serves as the Vice Chairman of the Board of Directors of Lydia Holding Corp., Lydia Yeşil Enerji Kaynakları Corp., and Ufuk Yatırım Yönetim ve Gayrimenkul Corp. Mr. Akkaya also serves as the Chairman of the Board of Directors within the Bulls Group of Companies.

#### **Dr. Semra DEMİRCİOĞLU – Member of the Board of Directors**

After graduating with honors from the English Economics Department of Marmara University, Dr. Semra Demircioğlu began her career in the financial sector, serving as an economist in various investment companies. During this period, she contributed to magazines and newspapers with her economic articles and reached broad audiences by appearing on television programs with her market analyses.

In 2016, Dr. Demircioğlu joined Ziraat Portföy Corp., where she held responsibilities as an economist and risk manager. During the same period, she accelerated her academic development, completing her master's degrees at Marmara University and Boğaziçi University.

In 2019, Dr. Demircioğlu joined the Param Group as Deputy General Manager of Treasury, shaping the group's financial strategies. In 2021, she was appointed CEO of Turk Finansman Corp., where she pioneered the establishment of Türkiye's first "Buy Now, Pay Later" (BNPL) system, leading the creation of an end-to-end digital consumer credit infrastructure. In 2022, she was appointed Executive Board Member Responsible for Risk within the Param Group.

During this period, she also successfully completed her academic studies and received her Ph.D. degree in 2024, achieving significant milestones both academically and professionally.

As of 2025, Dr. Demirciođlu serves as the CEO and Member of the Board of Directors of Lydia Holding Corp., while also holding board memberships at Lydia Yeşil Enerji Kaynakları Corp., Ufuk Yatırım Yönetim ve Gayrimenkul Corp., and various other companies. Blending her academic background with her business expertise, Dr. Demirciođlu continues to contribute to the public by providing economic and market analyses on television channels.

### **Uđur GÜLEN – Independent Member of the Board of Directors**

After graduating from the Industrial Engineering Department of Middle East Technical University (METU) in 1988, he completed his master's degree at the METU Faculty of Business Administration. Between 1990 and 1997, he held various positions at Interbank, and between 1997 and 2007, Uđur Gülen served as Deputy General Manager at Denizbank, EGS Bank, MNG Bank, Ak İnternet Elektronik Ticaret Corp., Ak Emeklilik Corp., and Avivasa Hayat ve Emeklilik Corp. From 2009 to 2024, he served as the General Manager of Aksigorta Corp.

Mr. Gülen currently serves as the Chairman of the Board of Directors of the Insurance Association of Türkiye, Member of the Board of Directors of the Insurance Information and Monitoring Center, Member of the Advisory Board of the Sabancı Venture Fund, Member of the Board of Directors of Aksigorta Corp., Agesa Hayat ve Emeklilik Corp., and Medisa Sağlık Sigortaları Corp., and as an Independent Member of the Board of Directors of Ufuk Yatırım Yönetim ve Gayrimenkul Corp.

### **Prof. Dr. Duygu AYDIN– Independent Member of the Board of Directors**

Prof. Dr. Aydın is a faculty member at the Faculty of Communication of Ankara Hacı Bayram Veli University. Her research and lectures focus on human behavior within the framework of marketing communication and consumption. Prof. Dr. Aydın has both national and international publications in the fields of consumer behavior, advertising, marketing communication, creativity, neuromarketing, digital marketing, and media management. Prof. Dr. Aydın provides corporate training and continues to carry out applied projects in collaboration with the industry. In addition, she writes columns on various platforms related to her academic field. Prof. Dr. Aydın serves as an Independent Member of the Board of Directors at Ufuk Yatırım Yönetim ve Gayrimenkul Corp. and Dünya Holding Corp.

## **STATEMENTS OF INDEPENDENCE OF INDEPENDENT MEMBERS OF THE BOARD OF DIRECTORS**

Our independent board members, Uğur Gülen and Prof. Dr. Duygu Aydın, submitted to the Board of Directors at the time of their appointment the declaration confirming their independence, in accordance with the relevant legislation and the Company's Articles of Association.

### **COMMITTEES ESTABLISHED WITHIN THE BOARD OF DIRECTORS**

Pursuant to Article 15 of the Company’s Articles of Association titled “Formation of the Board of Directors and Committees to be Established Within the Board of Directors,” three committees, namely the Audit Committee, the Corporate Governance Committee, and the Early Detection of Risk Committee, have been established in order to enable the Board of Directors to fulfill its duties and responsibilities effectively, in compliance with the Turkish Commercial Code and the Capital Markets Legislation.

The working principles of these committees were updated by the resolution of the Board of Directors dated December 19, 2024. The Nomination Committee and the Remuneration Committee have not been established, and their duties are carried out by the Corporate Governance Committee.

The working principles of the Board of Directors’ Committees are available on the Company’s website at <https://www.ufukygy.com.tr/tr/komiteler-1>.

<b>Audit Committee</b>	
<b>Committee Chairperson</b>	Uğur Gülen
<b>Committee Member</b>	Prof. Dr. Duygu Aydın

The primary purpose of the Audit Committee is to oversee the operation of the Company’s accounting and reporting systems within the framework of applicable laws and regulations, the

public disclosure of financial information, and the functioning and effectiveness of the independent audit and internal control systems.

The Audit Committee consists of at least two members, who are selected from among the independent members of the Board of Directors. At least one of these members must have a minimum of five years of experience in auditing, accounting, or finance. The members of the Audit Committee are appointed by the Board of Directors each year, at the latest during the first board meeting following the Company's Ordinary General Assembly meeting.

The activities and the results of the meetings of the Audit Committee are disclosed in the annual report. The number of written notifications made by the Audit Committee to the Board of Directors during the fiscal period is also stated in the annual report.

The Audit Committee performs the following duties, including but not limited to:

- Oversees the Company's accounting system, the public disclosure of financial information, the independent audit, and the functioning and effectiveness of the Company's internal control and internal audit systems.
- The selection of the independent audit firm, the preparation of the independent audit agreements, the initiation of the independent audit process, and the supervision of all phases of the work conducted by the independent audit firm are carried out under the oversight of the Audit Committee.
- The independent audit firm to provide services to the Company and the scope of the services to be received from such firms are determined by the Audit Committee and submitted to the Board of Directors for approval.
- The methods and criteria to be applied in the examination and resolution of complaints received by the Company regarding its accounting and internal control system and independent audit, and in the confidential evaluation of notifications from Company employees concerning accounting and independent audit matters, are determined by the Audit Committee.
- The Audit Committee submits to the Board of Directors, in writing, its assessments on the accuracy and fairness of the annual and interim financial statements to be disclosed to the public, together with the opinions of the Company's responsible managers and independent auditors, and its own evaluations regarding their compliance with the accounting principles adopted by the Company.

In addition, in the event that the Company's shares are offered to the public through a capital increase, the Audit Committee is obliged to prepare, in addition to the aforementioned report, a report within ten business days following the announcement of the first two financial statements disclosed to the public after the Company's shares start to be traded on the stock exchange, indicating whether the funds obtained from the capital increase have been used in accordance with the purposes stated.

The resolutions of the Audit Committee are of an advisory nature to the Board of Directors, and the activities and recommendations of the committee do not remove the responsibilities of the members of the Board of Directors arising from the Turkish Commercial Code. The Board of Directors provides the necessary resources and support for the Audit Committee to fulfill its duties and responsibilities. The Audit Committee may obtain information from the Company's executives and employees (within the framework of confidentiality, if necessary) regarding the matters under its review or related issues and may invite relevant persons to committee meetings. The Audit Committee may also benefit from the opinions of independent experts on matters it deems necessary in connection with its activities.

<b>Early Detection of Risk Committee</b>	
<b>Committee Chairperson</b>	Uğur Gülen
<b>Committee Member</b>	Prof. Dr. Duygu Aydın

The primary purpose of the Early Detection of Risk Committee is to identify, assess, and evaluate all strategic, operational, financial, legal, and other risks that may endanger the Company's existence, development, and continuity; to calculate their impact and probability; to ensure that these risks are managed and reported in line with the Company's corporate risk-taking profile; to oversee the implementation of necessary measures related to identified risks; to ensure that such risks are taken into consideration in decision-making processes; and to provide recommendations to the Board of Directors for the establishment and integration of effective internal control systems accordingly.

The Early Detection of Risk Committee consists of at least two members. The chairperson of the Committee is selected from among the independent members. If the Committee consists of two members, both shall be non-executive members of the Board of Directors; if it consists of more than two members, the majority shall be selected from among non-executive members of the Board of Directors. Individuals who are not board members but are experts in their field

may also be appointed as members of the Committee. The Chief Executive Officer or General Manager may not serve on the Committee.

The Early Detection of Risk Committee convenes and takes decisions with the presence of the absolute majority of its members. It may also adopt resolutions without holding a meeting, provided that all members agree in writing. The Committee may meet as frequently as required by its duties, either at the Company's headquarters or at another location where the members are present. The quorum for meetings and decisions is the absolute majority of the total number of members.

The Early Detection of Risk Committee documents all its work in writing, keeps records thereof, and reports to the Board of Directors the information, findings, and results regarding its activities and meetings. The Committee immediately submits to the Board of Directors in writing its findings and recommendations related to its field of responsibility. The resolutions of the Early Detection of Risk Committee are of an advisory nature to the Board of Directors, and the final decision-making authority on related matters rests with the Board of Directors.

The Early Detection of Risk Committee fulfills the following duties, including but not limited to:

- Identifying and evaluating all risks that may endanger the Company's existence, development, and continuity, as well as assessing their likelihood and potential impacts.
- Ensuring the early detection of potential technical insolvency and warning the Board of Directors on this matter, along with developing recommendations for necessary measures.
- Establishing risk measurement models and risk management systems and reviewing their effectiveness at least once a year.
- Informing the Board of Directors regarding the measurement and monitoring of risks and ensuring that risk factors are taken into account in decision-making processes.
- Providing recommendations to the Board of Directors to improve risk management practices and models.
- Conducting necessary activities to ensure that risk management policies and practices are adopted and implemented by all Company units and employees.
- Fulfilling other duties assigned or to be assigned to the Committee by the Capital Markets Board regulations and the Turkish Commercial Code.

All necessary resources and support required for the Committee to perform its duties are provided by the Board of Directors. The Early Detection of Risk Committee may invite any executive it deems necessary to its meetings and obtain their opinions. The Committee may also seek the opinions of independent experts when necessary. The Committee acts within its authority and responsibility, prepares a report every two months containing its assessments, recommendations, and suggestions, and submits it to the Board of Directors. The reports submitted to the Board of Directors are also communicated to the independent auditor. The final decision-making authority rests with the Board of Directors.

Corporate Governance Committee	
Committee Chairperson	Prof. Dr. Duygu Aydın
Committee Member	Uğur Gülen
Committee Member	Hakkı Umut Selen

The primary purpose of the Corporate Governance Committee is to determine whether the corporate governance principles are being implemented in the Company, to identify the reasons if they are not implemented, and to detect any conflicts of interest arising from the failure to fully comply with these principles, and to provide recommendations to the Board of Directors for the improvement of corporate governance practices. In addition, the Committee fulfills the duties of the Nomination Committee and the Remuneration Committee within the scope of the relevant Communiqué of the Capital Markets Board.

The Corporate Governance Committee consists of at least two members of the Board of Directors and the Manager of the Investor Relations Department. The Chairperson of the Committee is selected from among the independent members of the Board of Directors. The Chief Executive Officer or General Manager may not serve on the Committee. If the Committee consists of two members other than the Investor Relations Manager, both shall be non-executive members of the Board of Directors; if it consists of more than two members other than the Investor Relations Manager, the majority shall be selected from among non-executive members of the Board of Directors.

The members of the Committee are appointed by the Board of Directors each year, at the latest during the first board meeting following the Company's Ordinary General Assembly meeting. Members whose term of office has expired may be reappointed. To the extent possible, members of the Committee are selected from among individuals who are not involved in the execution

of the Company's daily operations. Individuals with expertise in fields such as accounting, finance, law, or auditing may serve as members of the Committee.

The Committee may convene as frequently as required by its duties, either at the Company's headquarters or at another location where the Committee members are present. The Committee convenes and takes decisions with the presence of the absolute majority of its members. It may also adopt resolutions without holding a meeting, provided that all members agree in writing.

The Corporate Governance Committee documents all its work in writing, keeps records thereof, and reports to the Board of Directors the information, findings, and results regarding its activities and meetings. The Committee immediately submits to the Board of Directors in writing its findings and recommendations related to its field of responsibility.

The Corporate Governance Committee fulfills the following duties, including but not limited to:

- Determining whether the corporate governance principles are being implemented in the Company, identifying the reasons if they are not implemented, detecting any conflicts of interest arising from the failure to fully comply with these principles, and providing recommendations to the Board of Directors for the improvement of corporate governance practices.
- Overseeing the activities of the Investor Relations Department.
- Reviewing the reports and disclosures prepared by the Investor Relations Department, and evaluating the accuracy and consistency of the information contained therein with the information submitted to the Corporate Governance Committee.
- Reviewing the "Corporate Governance Compliance Report" to be disclosed to the public and verifying the accuracy and consistency of the information contained therein with the information available to the Committee.
- Ensuring the development, adoption, and implementation of corporate governance principles within the Company, conducting studies on areas where compliance cannot be achieved, and making recommendations to the Board of Directors to improve the level of compliance.
- Monitoring corporate governance principles worldwide and making recommendations to the Board of Directors to implement the necessary elements within the Company.

The duties foreseen for the Nomination Committee and the Remuneration Committee under the Capital Markets Board regulations are carried out by the Corporate Governance Committee in our Company, and the duties of the Committee in this context are as follows:

- Establishing a transparent system for identifying, evaluating, and training suitable candidates for membership of the Board of Directors and for managerial positions with administrative responsibility, and developing policies and strategies in this regard.
- In the event of a vacancy in independent board memberships, evaluating suitable candidates for appointment to ensure that the minimum number of independent members is reestablished until the next General Assembly meeting, and submitting the results of this evaluation to the Board of Directors in writing.
- Conducting regular assessments on the structure and efficiency of the Board of Directors and submitting recommendations to the Board of Directors regarding potential changes.
- Determining and monitoring the Company’s approach, principles, and practices on the performance evaluation and career planning of the members of the Board of Directors and senior executives.
- Determining the principles and practices regarding the remuneration of the members of the Board of Directors and senior executives, taking into account the Company’s long-term goals, and monitoring their implementation.
- Establishing criteria that can be used in remuneration based on the performance of the Company and the member.
- Submitting recommendations to the Board of Directors regarding the remuneration of the members of the Board of Directors and senior executives, considering the degree to which the established criteria have been achieved.

All necessary resources and support required for the Committee to perform its duties are provided by the Board of Directors. The Corporate Governance Committee may invite any executives it deems necessary to its meetings and obtain their opinions. The Committee may also benefit from the opinions of independent experts when necessary.

**ORGANIZATIONAL CHART**

## **INTERNAL SYSTEMS, PRINCIPLES AND POLICIES OF THE COMPANY**

### **Evaluation of Performance in Achieving Strategic Financial Targets**

Strategic and financial plans are prepared annually by Ufuk Yatırım Yönetim ve Gayrimenkul Corp. and submitted to the Board of Directors. Within the framework of the strategy and financial plan evaluated by the Board of Directors, the Company prepares its annual budget at the end of each year in line with the established procedures and principles, which is then submitted to the Board of Directors following approval by senior management. Based on the strategic plans and budgets, the annual performance of the managers and the Company is determined. The Board of Directors and senior management of Ufuk Yatırım Yönetim ve Gayrimenkul Corp. monitor the Company's progress toward its targets, performance against its budget, and activities through periodic meetings held throughout the year. When necessary, required measures are discussed, and the financial performance of senior management is reviewed against the budget. Strategic progress is monitored in line with the Company's objectives, and recommendations are developed when deemed necessary. During the period, strategic meetings held by the Board of Directors ensured access to sufficient and transparent information about the Company and allowed for strategic evaluations. In this context, all decisions taken during the period were in line with the Company's strategic objectives and implemented in a timely manner.

### **Principles of Remuneration for Members of the Board of Directors and Senior Executives**

Members of the Board of Directors are paid remuneration at a level determined annually by the General Assembly. When determining the remuneration levels of the Board members, factors such as the member's responsibilities in the decision-making process, the required knowledge, skills, competence, and efficiency are taken into consideration. In addition, comparisons are made with the remuneration levels of board members in similar companies within the sector.

### **Compliance with Legislation**

The Audit Committee evaluates whether an adequate and continuous system that meets legal requirements has been established within the Company for the transmission of financial statements, reports, and other financial information submitted to the administrative authorities or disclosed to the public.

The Committee ensures compliance with the Company's internal regulations designed to prevent conflicts of interest that may arise between the members of the Board of Directors,

senior management, or other related parties, and to avoid the misuse of information that constitutes a trade secret or that may affect the value of the Company's shares.

When necessary, the Committee assesses any non-compliance by the independent external auditor or by the officials who hold significant responsibilities within the Company's accounting or internal control system with the relevant regulations mentioned herein, and shares its findings and recommendations on the matter with the Board of Directors.

The Committee evaluates legal disputes in consultation with legal advisors that may have a material impact on the financial statements.

### **Risk Management**

The Audit Committee evaluates the effectiveness of the risk management system implemented within the Company and, for this purpose, exchanges information and cooperates with other committees established by the Board of Directors.

Risks related to the Company's operations are classified into five main categories: Operational Risk, Capital Risk, Credit Risk, Exchange Rate Risk and Liquidity Risk.

- **Operational Risk:** The risk of direct or indirect loss arising from a wide range of causes associated with the Company's processes, employees, technology, and infrastructure. Operational risks may stem from all activities of the Company. The Company aims to manage operational risk by avoiding financial losses and reputational damage, while also promoting entrepreneurship and innovation.

- **Capital Risk:** In its capital management, the Company seeks to ensure the continuity of its operations while aiming to increase profitability by efficiently balancing debt and equity. The Company's capital structure consists of liabilities, including loans, cash and cash equivalents, and equity components such as paid-in capital, revaluation funds, restricted reserves appropriated from profits, retained earnings, and net profit for the period.

- **Credit Risk:** Credit risk refers to the risk of financial loss arising when one of the parties in a commercial relationship fails to fulfill its obligations related to a financial instrument.

- **Exchange Rate Risk:** The potential financial loss that a company, investor, or individual may incur due to fluctuations in foreign exchange rates resulting from transactions conducted in different currencies.

- **Liquidity Risk:** Liquidity risk refers to the possibility that Ufuk Yatırım Yönetim ve Gayrimenkul Corp. may be unable to meet its net funding obligations. Events such as market

disruptions or a downgrade in the Company’s credit rating, which reduce the availability of funding sources, may lead to liquidity risk. The management of Ufuk Yatırım Yönetim ve Gayrimenkul Corp. manages this risk by diversifying funding sources and maintaining sufficient cash and cash-equivalent resources to meet current and potential obligations.

## **CORPORATE POLICIES**

### **Disclosure Policy**

The purpose of the Disclosure Policy of Ufuk Yatırım Yönetim ve Gayrimenkul Corp. is to maintain active and transparent communication with all stakeholders, including shareholders, investors, employees, and customers (collectively referred to as “capital market participants”), in compliance with the provisions of the Capital Markets Law (“CML”), the regulations of the Capital Markets Board (“CMB”), the Corporate Governance Principles, other applicable legislation (collectively referred to as the “Capital Markets Legislation”), and the provisions of the Company’s Articles of Association.

Excluding information considered to be “trade secrets,” the Company believes that sharing its strategies, key factors, risks, and growth opportunities related to its operations with the public contributes to a more efficient market for its capital market instruments.

In matters related to public disclosure, the Company complies with the Capital Markets Legislation as well as the regulations of the Turkish Commercial Code (“TCC”), Borsa İstanbul A.Ş. (“Borsa İstanbul”), and the Central Securities Depository (“MKK”), and exercises utmost diligence in implementing the principles set forth in the CMB’s Corporate Governance Principles.

The Disclosure Policy of Ufuk Yatırım Yönetim ve Gayrimenkul Corp. has been prepared in accordance with the CMB Communiqué Serial: VIII, No: 54 on the Principles Regarding Public Disclosure of Material Events. This policy is available on the Company’s website at [www.ufukygy.com.tr](http://www.ufukygy.com.tr).

### **Dividend Distribution Policy and Principles**

The Company’s principles for profit distribution are regulated under Article 21 of the Articles of Association, titled “Distribution of Profit.” Accordingly, the Company acts in compliance with the provisions of the Turkish Commercial Code (TCC) and the Capital Markets Legislation regarding the determination and distribution of profit.

“After deducting general expenses, various depreciation costs, and the amounts that must be paid or set aside by the Company, as well as the taxes that are legally required to be paid by the Company’s legal entity, from the revenues determined at the end of the fiscal year, the remaining net profit shown in the annual balance sheet, after deducting any previous year’s losses, if any, shall be distributed in the following order:

**General Legal Reserve**

a) Five percent (5%) of the net profit shall be set aside as a legal reserve until it reaches one-fifth of the paid-in capital.

**First Dividend**

b) From the remaining amount, including any donations made during the year, a first dividend shall be set aside in accordance with the profit distribution policies determined by the General Assembly and in compliance with the relevant legislation.

**Second Dividend**

c) After deducting the amounts stated in paragraphs (a) and (b) from the net profit, the General Assembly shall be authorized to distribute the remaining portion partially or entirely as a second dividend or to set it aside as a voluntary reserve.

**General Legal Reserve**

d) One-tenth of the amount remaining after deducting a dividend of five percent (5%) of the paid-in capital from the portion decided to be distributed to shareholders and other profit participants shall be set aside as a second-tier legal reserve pursuant to Article 519, paragraph 2(c) of the Turkish Commercial Code.

e) Unless the statutory reserves required by law have been set aside and the dividend determined for shareholders in the Articles of Association has been distributed in cash and/or in the form of shares, no further reserve can be set aside, profit cannot be carried forward to the following year, and no profit distribution can be made to privileged shareholders, holders of founder’s or ordinary usufruct shares, members of the Board of Directors, employees, officers, or workers, or to foundations and similar persons and/or institutions established for various purposes.

f) The profit shall be distributed equally among all existing shares as of the profit distribution date, without considering their issuance or acquisition dates.

The date and method of profit distribution to shareholders shall be determined by the General Assembly upon the proposal of the Board of Directors, in accordance with the provisions of the applicable legislation.

In accordance with these provisions of the Articles of Association, the profit distribution resolution adopted by the General Assembly cannot be revoked. This policy and the Company's Articles of Association are available at [www.ufukygy.com.tr](http://www.ufukygy.com.tr) .

### **Donation and Aid Policy**

The purpose of the Donation and Aid Policy is to determine the principles of the Company's donations and aids in accordance with the applicable regulations and the provisions of the Articles of Association. The monitoring, supervision, development, and updating of the Company's donation and aid policy fall under the authority and responsibility of the Board of Directors.

The Company's Donation and Aid Policy have been prepared within the framework of the provisions of the Turkish Commercial Code (TCC), the Capital Markets Law (CML), other relevant capital markets legislation, and the Articles of Association, to determine the principles regarding the donations and aids to be made by the Company. The Donation and Aid Policy are approved or amended by the General Assembly upon the recommendation of the Board of Directors.

The upper limit for donations and aids to be made by the Company shall be determined by the General Assembly, and no donations or aids exceeding this limit shall be made.

Donations made by the Company during the relevant fiscal period shall be added to the distributable profit base.

It is essential that the donations do not constitute a violation of the Capital Markets Law provisions regarding disguised profit transfer, that necessary material event disclosures are made, that the donations and aids made during the year are presented to the shareholders at the General Assembly, and that they are carried out without disrupting the Company's objectives and operations.

### **Remuneration Policy**

The purpose of the Remuneration Policy is to determine the principles of remuneration for the members of the Board of Directors and senior executives with administrative responsibility, in line with the Company's long-term objectives and in compliance with applicable regulations

and the provisions of the Articles of Association. The Company complies with the Turkish Commercial Code (TCC), the Capital Markets Law (CML), and other relevant legislation regarding remuneration practices.

The remuneration of the members of the Board of Directors is determined on a gross monthly basis, taking into consideration the opinions of the relevant committee, and is submitted to the approval of the General Assembly. The remuneration of the independent members of the Board of Directors must be at a level that will maintain their independence. Stock options or payment plans based on the performance of the Company are not used in the remuneration of independent board members.

The remuneration and benefits of senior executives are determined in accordance with their duties, responsibilities, experience, and performance indicators, in alignment with equivalent market conditions and the Company's strategies and policies. All payments and benefits provided are disclosed to the public through the annual report.

In addition to the fixed monthly salaries determined within the framework of these principles, senior executives and members of the Board of Directors may also be granted fringe benefits and performance-based bonuses aimed at supporting the Company's long-term performance.

The policy on the remuneration principles for the members of the Board of Directors and senior executives, along with any amendments made thereto, is approved by the Board of Directors, submitted to the information of the General Assembly, and disclosed to the public on the Company's website.

## **GENERAL ECONOMIC ASSESSMENTS**

### **Consumer Confidence Index**

According to the Consumer Tendency Survey conducted in cooperation with the Turkish Statistical Institute and the Central Bank of the Republic of Türkiye, the consumer confidence index decreased by 0.8% in March 2026 compared to the previous month. The index, which was 85.7 in February, declined to 85.0 in March.

According to indices based on survey questions regarding consumer tendencies, the index reflecting consumers' assessment of the current general economic situation in Türkiye increased by 3.1% compared to the previous month, reaching 59 in March. Meanwhile, the index for expectations regarding the general economic situation over the next 12 months decreased by 2.9% on a monthly basis, falling to 79.1.

In the same month, the index measuring the suitability of the current period for purchasing durable goods increased by 2.8% compared to the previous month, reaching 55.3, while the index reflecting the probability of spending on durable goods over the next 12 months decreased by 0.5% compared to February, standing at 102.7.

In March, the probability of purchasing a new automobile within the next 12 months decreased by 0.3%, falling to 23.5, whereas the index for the probability of purchasing or constructing a new house within the next 12 months increased by 2.7% on a monthly basis, reaching 15.8.

An index value above 100 indicates an optimistic outlook in consumer confidence, a value below 100 indicates a pessimistic outlook, and a value of 100 indicates a neutral outlook.

### **Inflation**

According to the March 2026 data announced by the Turkish Statistical Institute, the Consumer Price Index (CPI) increased by 1.94% compared to the previous month, by 10.04% compared to December of the previous year, by 30.87% compared to the same month of the previous year, and by 32.82% on a twelve-month average basis.

According to TÜİK, within the composition of price developments, annual increases were recorded as 32.36% in food and non-alcoholic beverages, 34.35% in transportation, and 42.06% in housing, water, electricity, gas and other fuels, which are among the main expenditure groups with the highest weights. The contributions of these groups to annual inflation were 8.25 percentage points for food and non-alcoholic beverages, 5.45 percentage points for transportation, and 6.04 percentage points for housing.

The core CPI indicator (B) increased by 1.45% compared to the previous month, by 8.03% compared to December of the previous year, by 30.11% compared to the same month of the previous year, and by 32.50% on a twelve-month average basis as of March. This outlook indicates that price increases are spread across a broad basket and that housing, transportation and food groups continue to have a significant impact on annual inflation.

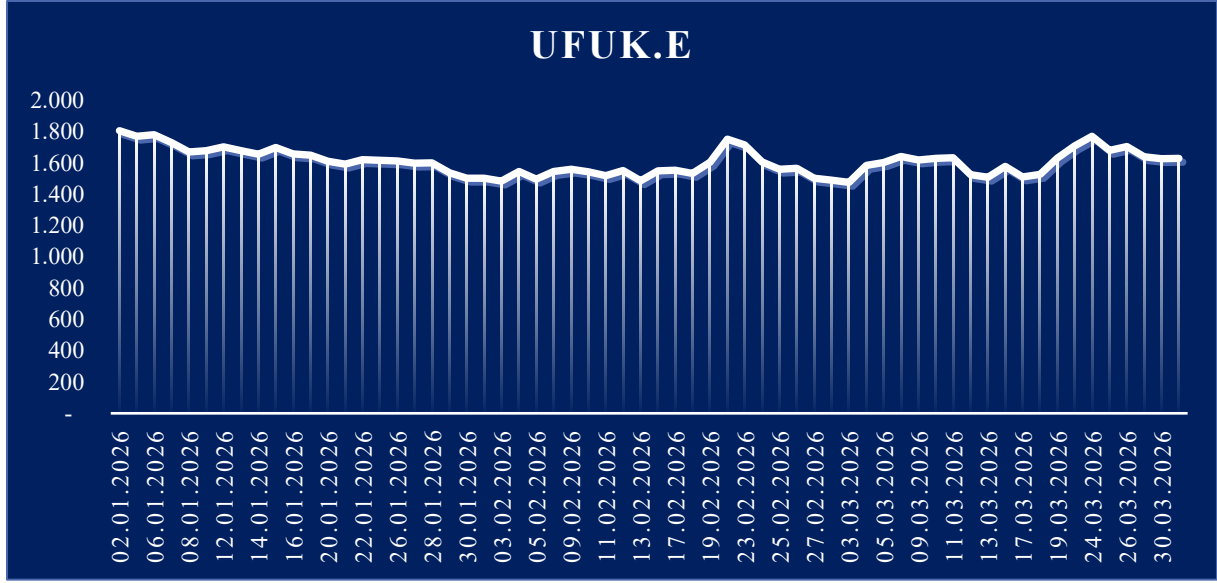

### **Exchange Rate Movements**

The US Dollar (USD) followed a volatile course within the range of TRY 42.8322 to TRY 44.6170 during the first quarter of 2026, while maintaining its upward trend throughout the period. The Euro (EUR), on the other hand, fluctuated within a broader range of TRY 49.8900 to TRY 52.4272 over the same period and continued its upward trend.

These movements observed in both currencies indicate that the exchange rate environment remained volatile yet continued its upward trajectory.

### **SHARE PERFORMANCE (“UFUK.E”)**

In terms of price movements, UFUK.E reached a low of TRY 1,400.00 and a high of TRY 1,924.00 during the period, while the weighted average price realized at TRY 1,607.45 over the same period.
